

ReNew Fashion

Terms and Conditions

How it works:

- Call us or come in to book your 9 day or 18 day rental period. Fill out the rental agreement (over), sign and pay for your rack hire.
- Gather your quality 50 items of clothing and up to 4 pairs of shoes or bags (less for half rack, see over). Feel free to share with a friend or two. Make sure clothing is clean and ironed. We reserve the right to remove items for sale if they are dirty or damaged and to arrange and steam your clothes as necessary.
- Shoes tend to not sell well unless in the original box and new or near new.
- Clearly label and price each item. Each label needs to include your rack number (we will give you this number), the size of the garment and the price you want for it. If you can fit it, write the brand on the label too. Labels can be created yourself or department stores sell them.
- You are welcome to pop in and check how your sales are going. You can then top up your rack to the maximum number.
- Pick up will be on the last day of your rental during opening hours. Please call or email if you need to negotiate this. A charge of \$20 per day will be deducted from your sales if a staff member needs to remove your items from display.
- 100% of the money you have made from your sales will be deposited into your nominated bank account within 7 days of the end of your rental period.
- If items from your rack are left behind after your agreement ends, we will let you know and you will have 14 days to collect them before they are donated to charity.
